

BSPC on Cross-Border Mobility

- **Priority issue for BSPC;**
 - **X-B-M increases employment opportunities and promotes regional growth;**
 - **Challenges plenty: freedoms-rights; demographic trends, drainage of labour...**
 - **Also: Illegal labour, wage dumping, poor working conditions...**
 - **Hurdles when moving: Social security, employment security, health, pension...**
 - **Strengthen Information Centers for timely and accurate information;**
 - **Improve data availability for decision-making;**
 - **Exchange best practices.**
-
- **Dismantle obstacles for free mobility, including gradual visa phase-out;**
 - **Promote mobility of labour and enterprises in border regions and through cooperation between information centers;**
 - **Improve access of disadvantaged groups to the labour market;**
 - **Support BSLF as a region-wide platform for social dialogue, tripartite cooperation and sustainable regional economic development.**
